The lounge has it's own fire place and sunny reading nook, perfect for those chilly winter days. The well maintained gardens boasts a variety of fruit and rose trees, large sprawling lawns and a 6000L reservoir with 2 tanks to keep the garden green. The pool and shady gazebo make for many days of fun in the sun. The large erf seems endless and so are the possibilities that go with the space. The gardens are also fitted with a nifty pop up irrigation system. There are ample parking garages and work space for the individuals who have hobbies that need a spacious workshop. The property is surrounded by palisades with a remote control gate. Safety gates and burglar bars protect the home.
