ONE BEDROOM COTTAGE

Bumble Bee Cottage" offers you a tranquil one bedroom cottage in the upmarket suburb of Pearl Rise. As you enter the cottage you are greeted by a cute little entrance hall before entering the open plan living and dining and kitchen area. There is one large separate bedroom with fitted blinds, carpets and en-suite bathroom. This cottage has a full lock-up single garage with a private entrance and completely separate living space. You get your own little back garden space with a private patio area where you can entertain privately. The property is safe and secure, with an alarm connected up to armed response and beams. Electricity is prepaid and water & sewerage is billed month to month. This little cottage is ideal for either a single person or a couple. It is also pet-friendly for one small pet only. Rental includes an alarm system and armed response with Vetus Schola. Water and electricity is charge separately. Available from 1 September.
