2. INTRODUCTION AND PURPOSE OF THIS MANUAL

2.1 PAIA gives effect to the constitutional right of access to information held by private bodies where that information is required for the exercise or protection of any right. POPIA protects the privacy of Personal Information processed by public and private bodies, and amended PAIA to balance access to information against the protection of Personal Information.

2.2 Section 51 of PAIA requires every private body to compile a manual that explains how to request access to its Records. This document is the Franchisee's PAIA Manual.

2.3 The purpose of this Manual is to:

2.3.1 set out the contact details of the Franchisee's head, Information Officer and Deputy Information Officer;

2.3.2 explain where to obtain the Information Regulator's Guide;

2.3.3 describe the Records the Franchisee holds, including Records that are automatically available and Records held in terms of other legislation;

2.3.4 describe how the Franchisee processes Personal Information, as required by POPIA; and

2.3.5 explain the procedure, fees, timelines and grounds for refusal that apply to a request for access, and the remedies available.

2.4 This Manual also serves as the Franchisee's privacy notice in terms of section 18 of POPIA. Section 9 explains what Personal Information the Franchisee processes and why, and section 13 explains how Data Subjects can exercise their rights.

If a Data Subject does not supply the information required, the Franchisee may be unable to conclude the transaction or provide its services.

10. HOW TO REQUEST ACCESS TO A RECORD

10.1 A Requester must be given access to a Record of the Franchisee if the Record is required for the exercise or protection of any right, the Requester complies with the procedural requirements of PAIA, and access is not refused on any ground in PAIA.

10.2 This Manual does not apply to a Record requested for criminal or civil proceedings after those proceedings have started, where the production of the Record is provided for in another law (section 7 of PAIA).

10.3 Completing the prescribed form

10.3.1 A request must be made on **Form 2** of the PAIA Regulations (Request for Access to Record), available from the Information Regulator's website or from the Information Officer, and sent to the Information Officer at the address or email address in section 4.

10.3.2 The Requester must provide enough detail to identify the Record and the Requester, indicate the form of access required, state the right to be exercised or protected and explain why the Record is required for that purpose. If the request is made on behalf of another person, proof of the capacity in which it is made must be attached.

10.3.3 A Requester who cannot read or write, or who has a disability, may make the request orally, and the Information Officer will help to complete the form.

10.4 Fees

10.4.1 A **request fee of R140,00** is payable before the request is processed, unless the Requester is requesting their own Personal Information (a "personal requester").

10.4.2 An **access fee** may be payable once access is granted, covering reproduction, search and preparation (R145,00 per hour after the first hour, up to a maximum of R435,00) and postage, as set out in the Regulator's published fee structure.

10.4.3 Where the search and preparation is expected to take longer than six hours, the Requester may be asked to pay a deposit of one third of the access fee.

10.4.4 The Record will be released once the applicable fees have been paid.

10.5 Timelines

10.5.1 The Information Officer will decide on the request within **30 days** of receiving it and will notify the Requester on **Form 3** of the PAIA Regulations.

10.5.2 This period may be extended once, by no more than 30 days, if the request is for a large number of Records, requires a search through a large number of Records or consultation with others. The Requester will be notified of the extension, the reasons for it, and their right to lodge a complaint with the Regulator.

10.5.3 If the Information Officer does not respond within the required period, the request is regarded as refused.

10.5.4 Where a request relates to a Record containing information of a third party, the Information Officer will take reasonable steps to inform the third party within **21 days**, and the third party may make representations within **21 days** of being informed.

11. GROUNDS FOR REFUSAL OF ACCESS

11.1 The Franchisee may or must refuse access to a Record on the grounds set out in Chapter 4 of Part 3 of PAIA, including:

- **mandatory protection of the privacy of a third party** who is a natural person, including a deceased person (section 63);
- **mandatory protection of commercial information of a third party**, such as trade secrets or financial, commercial or technical information that could cause harm (section 64);
- **mandatory protection of confidential information of a third party** where disclosure would breach a duty of confidence owed in terms of an agreement (section 65);
- **protection of the safety of individuals and property** (section 66);
- **mandatory protection of Records privileged from production in legal proceedings** (section 67);
- **protection of the Franchisee's commercial information**, including trade secrets, financial or commercial information and information that could put the Franchisee at a disadvantage in negotiations or competition (section 68); and
- **protection of research information** of a third party or of the Franchisee (section 69).

11.2 A request may also be refused if it is manifestly frivolous or vexatious, or if the work involved would substantially and unreasonably divert the Franchisee's resources.

11.3 Despite the above, access must be granted where disclosure would reveal evidence of a substantial contravention of the law or an imminent and serious public safety or environmental risk, and the public interest in disclosure clearly outweighs the harm (section 70).

12. REMEDIES AVAILABLE TO A REQUESTER OR THIRD PARTY

12.1 The Franchisee does not have an internal appeal procedure. The decision of the Information Officer is final.

12.2A Requester or third party who is not satisfied with the Information Officer's decision (including a refusal, the fees charged, an extension of time or the form of access) may, within **180 days** of being notified of the decision:

12.2.1 lodge a complaint with the Information Regulator on **Form 5** of the PAIA Regulations; or

12.2.2 apply to a court for appropriate relief.

12.3 Where access is granted despite the objection of a third party, access will only be given once the period for lodging a complaint or court application has expired, unless the third party consents.

13. REQUESTS BY DATA SUBJECTS UNDER POPIA

13.1 **Access to own Personal Information:** A Data Subject may, after providing adequate proof of identity, ask the Franchisee to confirm, free of charge, whether it holds Personal Information about them, and request a description of that information, including the identity of third parties who have had access to it (section 23 of POPIA). Where a fee applies, a written estimate will be provided first and a deposit may be required.

13.2 **Correction or deletion:** A Data Subject may request the correction or deletion of Personal Information that is inaccurate, irrelevant, excessive, out of date, incomplete, misleading or

obtained unlawfully, or the destruction or deletion of a Record the Franchisee is no longer authorised to keep, using **Form 2** of the POPIA Regulations (section 24 of POPIA).

13.3 **Objection to processing:** A Data Subject may object, on reasonable grounds, to the processing of their Personal Information, and may object at any time to processing for direct marketing, using **Form 1** of the POPIA Regulations (section 11(3) of POPIA).

13.4 Requests must be sent to the Information Officer using the details in section 4, together with proof of identity such as a certified copy of an identity document.
